HEALTH & SAFETY POLICY STATEMENT

Agency are committed to the active promotion and implementation of the highest standards of Health, Safety, Welfare and the Environment.

We consider that the prevention of incidents which may result in injury or damage to equipment is essential to both the wellbeing of its operatives and the efficiency of its operations, however it is the responsibility of all operatives hired to clients to ensure that all reasonably practical steps are taken by them to create a safe working environment.

We fully accept our obligations to operate in accordance with the requirements of all current legislation and codes of practice relating to Health and Safety and it is recognised that in all contracts and projects overall responsibility, authority and control rests with the client's senior representative on site.

It is the responsibility of the client to ensure that all staff provided by us are made fully aware of their Health & Safety Policy and who their representative is on site should an operative deem it necessary to report any work situation which represents an immediate danger to Health & Safety to them and others on site.

Our company Health and Safety policy which is communicated by our Managing Director confirms its commitment to the prevention of injury and ill health and continual improvement in Health and Safety management and performance.
